

Association Historique de Morin Heights Historical Association

Spring newsletter - April 2018

Will spring really arrive? We're all waiting.

Your association has been busy over the winter. A new Website is under development, thanks to the efforts of director François Leroux and Joy Kirkpatrick. It's worth noting that Joy has been running our website since the beginning, nearly 20 years ago. We also have a Facebook page. Check it out. Our Archives team (Gayle Schwartz, Susan McNab, Terry Ryan and Michelle Ryan) have also been busy working in our new headquarters bringing better order to our large collection of photos, maps, and documents. The MRC has provided financial assistance and a professional, who has offered a series of training workshops for our team.

Coming events

Several interesting events have been planned for the next few months:

-Sunday April 15, 1:30, Morin Heights Legion

“Growing-up in Morin Heights in the 60s and 70s.” This one should be good for a few laughs as people who grew up here share stories from their younger days: school, teachers, activities, bars, Carnivals, interesting ‘characters’ and much more.

Walk down memory lane
If you grew up in Morin Heights in the 60's, 70's join us for some fun

-Sunday May 27. 1:30 . Annual General Meeting. Annual report, financial statements, elections of officers. Bellevue Community Center. This is an important meeting; we hope all members who are able to attend will participate. Also a chance to get your copy of “The History of Morin Heights”, issues of The Porcupine, notecards, tee-shirts etc. and to ask questions of your directors.

-Sunday May 27, 2:30. Bellevue Community Center. "The History of Trains" with emphasis on the local railway that operated here from 1895 to 1962. Guest speaker: James Jackson, an entertaining and knowledgeable local expert.

Don't miss these special events.
